

Neil Howard Telecoms joins forces with Fusion Management Solutions

Blackburn, Lancashire - 25th July 2008: Neil Howard Telecoms has announced a new partnership with Fusion Management Solutions to support Fusion's customers with their telecommunications needs.

The first phase will see the roll-out of this initiative to the Acoat Selected network of body repair facilities, which is itself managed and supported by Akzo Nobel Coatings in the interests of its premium customers.

Fusion Management Solutions Limited was founded in 2003 to provide an extensive range of consultancy and management services, mainly to the automotive aftermarket.

However, continuing success and growth have seen Fusion develop its range of services so that it now offers an even more extensive package of solutions to all businesses, especially those in the Small and Medium Enterprise (SME) Sector.

Neil Jones, Managing Director at Neil Howard Telecoms, said "We are delighted to work with Fusion Management Solutions; our aim is to make sure that all of Fusion's customers save money in their telecommunications".

Neil Howard Telecoms was established in 1985 and has over 20 years of experience in telecommunications. They work to a simple philosophy; Listen to the needs of each customer and help them to choose the best communications solution: From Voice to Landline & IP Telephony, Data and Vehicle Tracking, guaranteeing total satisfaction.

The shared vision of every one of their employees is their biggest asset.

Alan Holden, Managing Director at Fusion Management Solutions, said "We are very pleased to have established a partnership with Neil Howard Telecoms. Our job is to help our customers to run their businesses in the most efficient way and Neil Howard Telecoms can help us achieve that goal with our customers' telecommunications".
